

EXCHANGING AN EU-DRIVERS LICENCE FOR A SPANISH PERMISO DE CONDUCCION

Here are the necessary steps and links to the documents for exchanging a valid EU Driver's Licence. To be clear, this is NOT the procedure to follow if your EU licence is about to expire, nor if you want to meet the requisites of the '2 year resident protocol' as the latter two are not considered 'canje' but 'renovación'.

Go to:

<https://sede.dgt.gob.es/es/tramites-y-multas/permiso-de-conduccion/canje-de-permisos/>

Scroll all the way down the page and select the second option:

Canje de los permisos de conducción expedidos en Estados miembros de la Unión Europea y los pertenecientes al Espacio Económico Europeo (EEE: NORUEGA, ISLANDIA Y LIECHENSTEIN)

On this page you will find the necessary document to fill in and print out:

“Impreso Solicitud”.

The “Hoja Informativa” contains detailed information and the fee:

27.40 Euros.

Don't forget to make a previous appointment for the following Jefaturas de Trafico:

Select your Trafico office and then select in the drop down menu on the right of the page the bottom one that says 'canje de permiso de conducción europeo'.

NOTE: Do not forget to bring all necessary paperwork in original and copy!
